Studio HA Placement Information Letter for Architects.pdf;

Dear Placement Coordinator,
Greetings from Studio HA!

“The true measure of a college's success is not only in the knowledge it imparts, but in the achievements of its alumni. It is through the distinguished firms they join and the impact they make in their fields that the legacy of our institution's truly shines.”

Your esteemed institution works hard to provide your students with a talented skill set. We have realized this through our past experiences and interactions with your students, alumni, and interns. To continue this journey we are writing this hiring letter.

Studio HA is primarily a Landscape architecture consultancy, headed by Ar. Hemanshu Taneja, Proprietor and Principal Landscape Architect, & Ar. Aditi Taneja, Partner and Managing Head, Studio HA.

Our firm was established in 2012 and has completed diverse projects across 10 cities and 4 states, ranging from regional and urban scales including river front parks, botanical gardens to campus based projects, sacred spaces, narrowing down to farmhouses, residences, and commercial open spaces.

In addition to Studio HA receiving accolades, its clients have also been recognized for their projects. Nationally and regionally, Studio HA has earned IDAC national and regional awards and was part of winning the Gold medal for the India Garden, International Expo at Beijing, China.

We are pleased to inform you that our firm is planning to initiate both on-campus/off-campus/online recruitment process, to identify potential candidates for various roles within our organization. We believe that your esteemed institute has a pool of talented individuals who would be a good fit for our firm.

At Studio HA, our design philosophy centers on a responsive approach to both nature and society. We believe that hiring the right candidates with a passion for design and sustainability is crucial in furthering our mission and contributing to society's coherence with Nature.

We would appreciate if you could share the attached placement letter with interested students/alumni. If possible, please spread the word amongst your students and alumni. Also, if you can kindly share an updated list of interested candidates and their resumes for our referrals, or the students may directly contact us.

Thank you for your time and consideration. We look forward to working with your esteemed institute in our recruitment drive.

Warm regards,

Pankaj Choudhary
